

Confiva Forum

Attendee Guide

Confiva Forum is a tool for attendees to participate actively during the event.

What you can do:

- Engage in chat
- Vote in polls
- Ask questions in Q&A

How to access?

- Scan the **QR code** displayed at the event venue or provided in your event materials to enter the Forum.
- Participate easily from your phone or computer – no app download required.

Getting started with the Forum

- You can join **anonymously** without entering any personal details.
- If you are already **registered**, you can join with your Confiva account.
- Not registered yet? Please sign up through the event's official registration page first.

Remember:

- Be respectful in your questions and chat messages.
- The moderators are here to keep the environment safe and engaging for everyone.

Need help?

Contact support via email: support@confiva.com.

Happy engaging!
